

Turning ideas into products.

Websites, apps, games, AI video, media production and automation — **from idea to launch and support, under one roof.** Cutting-edge technology and AI powered by Claude (Anthropic).

10+

projects launched to production

8

disciplines — from web to games and AI

24/7

product support

100%

official — contract & NDA

● SERVICES & PRICES

Websites & landing pages

from 50 000 ₸

Turnkey selling websites: design, responsive, SEO, launch in 3–7 days.
Option with a 24/7 AI auto-responder.

Mobile apps

from 1 200 000 ₸

Turnkey iOS and Android: design, backend, App Store and Google Play release.

Game development

from 100 000 ₸

Unity and Unreal: from web games to large projects for mobile, PC and PlayStation. Our largest case — a \$10,000,000 game.

AI Video Creator

from 500 000 ₸

AI ads and music videos of any complexity: script, generation, editing, sound, distribution help.

Media production

from 4 500 ₸

Pro shoots in Astana, hour-long video editing, cuts for Reels and TikTok.
Case: the Damn Disn podcast × Maunfeld.

SMM & targeted ads

from 150 000 ₸

End-to-end TikTok and Instagram management with a mobile videographer, content and monthly analytics.

Business automation

from 800 000 ₸

Turnkey digitalization: CRM, Claude-powered AI agents, WhatsApp, Kaspi and 1C integrations.

Integrations & talent

from 1 000 000 ₸/yr

International partnerships for business and recruiting of strong media, IT & AI specialists — focus on Kazakhstan and the CIS.

● Payment 50/50
