

Turning ideas into products.

Websites, apps, games, AI video, media production and automation — **from idea to launch and support, under one roof.** Cutting-edge technology and AI powered by Claude (Anthropic).

10+

projects launched to production

8

disciplines — from web to games
and AI

24/7

product support

100%

official — contract & NDA

● **SERVICES & PRICES · -80% UNTIL SEP 1**

Websites & landing pages

from 30 000 ₸

Turnkey selling websites: design, responsive, SEO, launch in 3–7 days.
Option with a 24/7 AI auto-responder.

Mobile apps

from 400 000 ₸

Turnkey iOS and Android: design, backend, App Store and Google Play
release.

Game development

from 40 000 ₸

Unity and Unreal: from web games to large projects for mobile, PC and
PlayStation. Our largest case — a \$10M game.

AI Content Creator

from 100 000 ₸

AI-made ads, clips and content: script, generation, post-production,
sound, distribution.

AI Love Story

from 50 000 ₸

A personal AI-made video story about your couple, built from photos and
memories. A gift for a wedding or anniversary.

Website support

from 10 000 ₸/mo

Weekly edits, monitoring and updates — your site stays alive and current.

Business automation

from 200 000 ₸

Turnkey digitalization: CRM, Claude-powered AI agents, WhatsApp, Kaspi
and 1C integrations.

Integrations & talent

from 400 000 ₸/yr

International partnerships for business and recruiting of strong media, IT
& AI specialists — focus on Kazakhstan and the CIS.

Found it cheaper? Show us — **we'll match that price**
