

# Turning ideas into products.

Websites, apps, games, AI video, media production and automation — **from idea to launch and support, under one roof.** Cutting-edge technology and AI powered by Claude (Anthropic).

**10+**

projects launched to production

**8**

disciplines — from web to games  
and AI

**24/7**

product support

**100%**

official — contract & NDA

## ● SERVICES & PRICES

### Websites & landing pages

**from 150 000 ₸**

Turnkey selling websites: design, responsive, SEO, launch in 3–7 days.  
Option with a 24/7 AI auto-responder.

### Mobile apps

**from 2 000 000 ₸**

Turnkey iOS and Android: design, backend, App Store and Google Play  
release.

### Game development

**from 200 000 ₸**

Unity and Unreal: from web games to large projects for mobile, PC and  
PlayStation. Our largest case — a \$10M game.

### AI Content Creator

**from 500 000 ₸**

AI-made ads, clips and content: script, generation, post-production,  
sound, distribution.

### AI Love Story

**from 250 000 ₸**

A personal AI-made video story about your couple, built from photos and  
memories. A gift for a wedding or anniversary.

### Website support

**from 50 000 ₸/mo**

Weekly edits, monitoring and updates — your site stays alive and current.

### Business automation

**from 1 000 000 ₸**

Turnkey digitalization: CRM, Claude-powered AI agents, WhatsApp, Kaspi  
and 1C integrations.

### Integrations & talent

**from 2 000 000 ₸/yr**

International partnerships for business and recruiting of strong media, IT  
& AI specialists — focus on Kazakhstan and the CIS.

Found it cheaper? Show us — **we'll match that price**

● Payment 50/50
